Cinematic Chatter

By Malcolm Millar

We have heard a great deal about the famous Police of Canada, known as the Royal Canadian Mounted—on the Mounties, until any story, song, stage or screen play whose theme or plot embraces the adventures of this heroic band of men, means a thrilling adventure, on our parts into that land of richness, beauty and hardships.

One of the finest stories of Canada to come to the screen in a long time is "Northern Pursuit," which stars Errol Flynn, Julie Bishop, Helmut Dantine, John Ridgely and Gene Lockhart and tells the thrilling tale of the greatest man hunt in the history of the "Mounties."

Here is good news, Miss Judy Canova, who has not been screened here for some time, comes in Tuesday-Wednesday in "Sleepy Lagoon" with Dennis Day, Ruth Donnelly, Joe Sawyer, Ernest Truex, Douglas Fowley, Mike Riley and his Orchestra and a bevy of Hollywood's cutest fella.

They crammed a show full of the best radio talent they could find around the film mecca when they filmed "Singing Your Partners," which is due to be screened at the Prince Theatre this Thursday-Friday.

I'm not too sure about the offering for the members of the Six

Shooters Club this coming Saturday, which happens to be Tom Tyler and Bob Steele in a Western adventure under the title "Raiders of the Range."

At any rate, you'll have to take your own peek at it, and if you like it I'll be glad. Folks, even though the big hit War Loan Drive is over—and even though I want know until around April 15th how I stand—let me urge you to continue buying War Bonds. Remember it's the money we pour into this war that is going to bring the quick Victory—Don't let the boys come home to us with a question in their eyes—That would be embarrassing!

See you at the movies—M.M.

For GOVERNOR elect MILLARD CALDWELL**Meet
MILLARD
CALDWELL!**

This Governor's race is a question of men—as
well as issues. Florida faces stormy days as the
war approaches its end, as our veterans return, as
industry and business begin to convert to peace-
time pursuits.

Our next Governor must be a man capable of
piloting Florida safely through the oncoming
storms—a man who is calm, level-headed, ener-
getic and sincere; a man of proved business ability
and tested statesmanship.

Millard Caldwell is such a man!

His record of public service is outstanding. He
was a member of the Florida Legislatures of 1929
and 1931 when he was chairman of the important
Rules Committee. He served brilliantly as U. S.
Congressman from 1932 until 1941 when he volun-
tarily retired to private life.

**He has never before been a candidate for
Governor . . . He has never before been selected
for public office.**

He was born on a farm at Beverly, Tenn., in
1897. His father was a successful lawyer; his
grandfather a Baptist preacher. He was a star
athlete at Carson-Newman College and the Uni-
versity of Mississippi where he was still a student
when he volunteered as an Army private in World
War I. He was commissioned as second lieutenant
of Field Artillery before the war ended. Later
he finished his education with a law course at the
University of Virginia.

**A "DOER" NOT A "PROMISER!"
FLORIDA CAN BE CONFIDENT
WITH CALDWELL**

al Point for the past month left

mother in Georgia.

Bobbie of Ochopee spent the week-
end here visiting Mrs. Jacob's par-
ents, Mrs. and Mrs. G. M. Pool.
Charles McQuig, son of Mr.
and Mrs. C. F. McQuig of Pahokee,
has been advanced to rank of
petty officer 3-c. He is an avia-
tion machinist, mate now station-
ed at Key West and has been in
